Faith Tabernacle Family and Friends,

We want to update you on the latest information available to us during the COVID-19 pandemic.

President Trump made a sincere appeal for us to do our part in stopping the possible spread of this disease. The CDC recommendation is for the public to limit gatherings to no larger than 10 people during the next 15 days.

We want to use wisdom by protecting our loved ones and ourselves. In an effort to show respect for governmental and medical authorities in their areas of responsibility, we are making the decision to temporarily host our services through media platform. Members of the ministry team and I will be speaking to our church members via live-stream during our regular service time tonight on Facebook. If you need help connecting to our "Faith Tabernacle Service" group on Facebook, please contact Bro. Drew Atkison, Bro. Allen Withers, or Bro. Randy Carter.

We encourage you to gather your family and join us online on Wednesday at 7:30 pm and on Sunday at 10:00 am. Please frequent our social medias as we will be posting weekly updates concerning church service plans.

We trust God and know that He is in control. Spend some time praying and drawing closer to God and trust that He will see us through.

Philippians 4:6-7 states "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

We pray for the peace of God during this time.

God Richly Bless You,

Pastor Jonathan Harris Faith Tabernacle Church
